### **VITEMA to Distribute Atlantic Hurricane Tracking Maps for 2021**

May 5, 2023 – The Virgin Islands Territorial Emergency Management Agency will begin distributing 6,000 free Hurricane Tracking Maps for use by the public beginning, May 8th on all four U.S. Virgin Islands. This is the 13<sup>th</sup> year VITEMA has provided this service in observance of National Hurricane Preparedness Week which runs from April 15 – May 6, 2023.

The paper maps are an excellent tracking tool to monitor approaching storm systems and their proximity to the USVI. As with any major storm related event, VITEMA will provide daily updates on multiple social media platforms as well as the VITEMA website at [vitema.vi.gov](http://vitema.vi.gov) as to a storm's location.

Hurricane tracking maps may be found at the following locations:
